

Technical Author

Location: Letchworth, Hertfordshire
Salary: £28,000 - £32,000 Per annum, dependant on experience
Hours: 37 hours per week, with possible overtime
Contract: Permanent

Sonovision UK provides a full range of Technical Publications to multi-national companies world-wide. We develop printed, electronic and online documentation, working to industry specific standards such as S1000D, STE, iSpec/ATA, JSP and DITA, for the; Commercial, Defence, Energy, Aerospace and Rail sectors.

The role:

The role will be producing a variety of technical documentation for various world-class manufacturers.

To be considered for this opportunity:

You will need to be a dynamic individual that can demonstrate the ability to develop strong business relationships.

- Minimum of 3 years' relevant technical publications experience
- Experience with industry standard specifications
- Good understanding of engineering data in a variety of formats from engineering drawings / CAD models to design reports
- Ability to communicate technical information in a clear and concise manner
- Adequate competency using different software packages for planning/reporting purposes
- A pro-active thinker that can provide potential solutions
- Ability to track production of tasks from conception to completion
- Drive and enthusiasm to achieve customer quality criteria
- Ability to work to deadlines and adhere to schedules
- Ability work with a minimum of supervision
- Current SC Clearance an advantage

Please note, candidates must successfully undergo UK Security Vetting before they can be appointed.

Screening:

Are you a commercially aware Technical Writer/Author?

Have you 3 years' relevant experience within the industry?

Have you experience working with defence and aerospace related specifications?

Have you an understanding of engineering data in a variety of formats, Drawings and Design Reports?

Are you eligible to live and work in the UK?
